+ more

Experience

Founder, Designer, and Developer
Coderre.Design / May 2011 - Current
I manage a solo design shop, and partnerships, producing award winning work incl. branding, product design (UI/UX), and web design and development.

Interaction Designer (UX)
ITX Corp. / Oct 2018 - Current
I lead design, test, and research for new product lines and feature releases for Paychex's Flex software platform along with ITX company projects and initiatives.

UX Designer
19 IDEAS / Aug 2015 - Oct 2018
I lead the design on award winning projects for websites, landing pages, branding, applications and marketing campaigns. As well as planned, developed, and helped install new company workflows and processes.

Sr. Web Designer and Developer
LocalEdge (Hearst Media) / Jun 2015 - Aug 2015
I lead the design and development for custom Wordpress sites, along with supporting live sites and building out junior designer website designs.

Web Designer and Developer
LocalEdge (Hearst Media) / May 2014 - Jun 2015
I lead the design and development for websites utilizing an in-house content management system, along with supporting live sites.

Web Designer, Developer, and Manager
Troll Stomp Gaming / May 2014 - Jun 2015

Designer and Game Developer
Florence Nightingale Museum / Jul 2011 - Aug 2011
